HOMEWORK

*We will begin learning about the 7 sacraments in preparation for the boys making their First Communion. We will also be discussing the Mass. The kids will be bringing home homework focusing on the above topics.

*It is very important that you practice math facts with your son. Increasing math fluency will help with higher level math skills. You can practice math facts with a deck of cards, dice, or dominoes. If you need more ideas, there are lots of great suggestions on Pinterest.
