**Classroom News:**

We are still working on the virtue of  
gratitude. Our next virtue will be  
kindness.

We talked about God's grace, and we  
made a thank you card for God. We  
talked about how we can be like Jesus.  
In Phonics we reviewed consonant and  
vowel digraphs. We reviewed  
combinations. We reviewed prefixes  
and suffixes. We also reviewed nouns.  
In Math we reviewed coins. We are  
working with three-dimensional shapes,  
identifying flat and curved surfaces.  
We also combined three-dimensional  
shapes to make new shapes.

In Science we learned about Earth day  
and what we can do to help the Earth.

In Social Studies we talked about the  
differences between goods and  
services.
