WEEK OF DECEMBER 11, 2023

NEWS & UPCOMING

*Please take time to review the Advent resources that I have sent home. Keep an eye open for more to come. Reach out if you have any questions, I am happy to help.

*We have Wandering Wisemen that have been searching around in our classroom and school for the baby Jesus. The men leave us missions to accomplish. When the boys partake in the activities, the Wisemen are motivated to continue their search. Ask your sons about the sneaky Wisemen.

HOMEWORK

*It is very important that you practice math facts with your son. Increasing math fluency will help with higher level math skills. You can practice math facts with a deck of cards, dice, or dominoes. If you need more ideas, there are lots of great suggestions on Pinterest.
