Classroom News:

Our virtue we are learning is Affability
(being approachable, friendly.) We
drew the Beatitudes. We learned about
St. Joseph and have been doing our
Lenten Adventure. Last week we did
the Stations of the Cross.

We have finished with the letters Jj and
Xx. We have learned what an accent is.
We are also separating compound
words. We are identifying certain
sounds in words and we are spelling.

In Math we learned about the
perimeter and area. We are identifying
objects that are taller, longer and
heavier. We practiced with coins and
teen numbers.

In Science we identified the parts of a
plant.

In Social Studies we have begun a unit
in Geography.
