

Kindergarten

We use the *Spirit of Truth* series to teach our Catholic faith. We will also be using a Virtues program and Formed to supplement material.

We use **Saxon Phonics** and **ZOOPHONICS** to learn letter names, sounds, blending and reading of words. We also have quarter words that we learn each quarter to build our reading vocabulary.

We use the **Starfall Math** program. We also use the Starfall Classroom Membership in our room for both Math and Phonics.

We use Mystery Science to learn Science and Brainpop to learn Social Studies.

We incorporate Yoga, Spanish, Art and Music in our program.

We have three breaks every day and we eat a snack at our first break. We eat lunch at 11:00 am.

Our goal is to provide a loving, respectful and fun environment so that all can enjoy learning.
