

CLASSROOM NEWS

WEEK OF APRIL 29, 2024

NEWS & UPCOMING

*As the boys continue to prepare for their First Communion, please make every effort to attend Mass weekly with your child. We are digging into the parts of the Mass and the specialness of the Eucharist. I take the boys into the Adoration Chapel most days and we say a decade of the rosary. It is beautiful to see their reverence and prayerfulness. They truly yearn to receive Jesus!

*I will continue to send home information that could help to build your domestic church. I am happy to gather information that may be of interest to you. If there is anything that I can help you with, please let me know.

*First Communion will be this Saturday, May 4 at 10:00. If you are choosing to have your son's picture taken, please be at church at 9:30. If you are not interested in having pictures taken, arriving at 9:45 in church is necessary.

Homework

*The boys will have an assessment over Chapters 7 and 8 in their Eucharist book on Thursday.

*Continue to look for religion homework to be assigned.

*It is very important that you practice math facts with your son. Increasing math fluency will help with higher level math skills. You can practice math facts with a deck of cards, dice, or dominoes. If you need more ideas, there are lots of great suggestions on Pinterest.
