Classroom News:

We finished with the virtue of prayerfulness and now are learning about respect. We learned about St. Peter Claver and that Jesus tells us to love. For Phonics, we learned about letter Kk. We are also identifying where sounds are in words. We reviewed rhyming and we learned about quotation marks.

In Math we are reviewing money. We had picture cards with price tags and counted out the correct amount of money. We are practiced with tens and ones. We also did addition with dominoes!

For Social Studies we learned about Martin Luther King Jr. and what a dynamic man he was.

In Science we checked out a kelp forest in the ocean named Cashes Ledge.

In Spanish we learned how to say the names of sports.

Have a blessed weekend!
