

Mrs. Rosing's Class
Classroom Newsletter
February 20, 2026

Dates to Remember:

Our first fish fry will be on Friday, February 20th. We will have a fish fry every Friday except Good Friday.

Our class is collecting Disney items for our basket for the quarter auction. Please send in any Disney items if you would like to donate.

*Special Week
Lily Hatcher's special week is
March 2-6, 2026.

Classroom News:

We are still working on the virtue of orderliness. We also had a small classroom retreat where we had special time with God in prayer.

In Phonics we finished letter Yy. We practiced putting letters in alphabetical order. We have started to spell words.

We also practiced rhyming. We are counting how many words are in a sentence. We also are identifying if a word has the /y/ sound in it.

In Math we are focusing on subtraction and the eight strategies to solve equations. We also practiced solving word problems.

In Science we are studying the moon. We learned what it is made of, how it orbits around the Earth and the eight phases of the moon.

Have a blessed weekend!
