Classroom News:

We are still working on the virtue of
gratitude.

We talked about God's grace, and we
made a thank you card for God. We
talked about how we can be like Jesus.

In Phonics we are learning the long
sounds of the vowels. We practiced
putting letters in alphabetical order. We
learned about speech balloons. We also
formed words by adding a long vowel
sound in the final position to other
sounds.

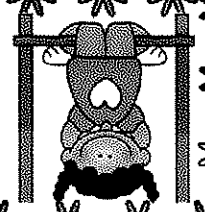

In Math we are practicing solving
addition and subtraction equations. We
are checking for the sign to see if we are
adding or subtracting. We reviewed
coins and estimating.

In Science we learned about Earth day.
We learned about goods and services in
Social Studies.
